Policy:

It is the policy of the Corrections Center of Northwest Ohio (CCNO) to provide re-integrative and work release opportunities to those offenders approved by the courts with eligibility based on CCNO classification procedures. The CCNO provides opportunities for offender employment in correctional industries, facility maintenance, operations, public works or community projects. All offenders housed in M building are considered Community Security and potentially eligible for work in a Community Corrections program. Community Corrections programs include Work Release, School Release, Unemployed Work Release, Community Public Works (CPW), and Helping Inmates Through Training (H.I.T.T.). Community Corrections staff as referred to in this policy will include Program Supervisor, Community Corrections Specialist and Case Managers assigned to M building. CCNO has a written offender work assignment plan that provides for offender employment, subject to the number of work opportunities available and the maintenance of facility security. The plan includes provision for disabled offenders to work. There are a variety of work assignments that afford offenders an opportunity to develop good work habits and attitudes that can be applied to jobs after their release (**4-ALDF-5C-06**). The facility actively identifies and implements activities that contribute to the community (**4-ALDF-7F-03**). Where statute permits, offenders are assigned to public works and community service projects (**4-ALDF-5C-09**). The facility provides services and opportunities that encourage offenders to take responsibility for their actions. Opportunities are based upon victim and community input and are fashioned in a way that seeks to ameliorate the harm done (**4-ALDF-6D-01**). When the facility is designated to operate any type of pretrial intervention services or other release programs, its authority and responsibility are stated by statute or administrative regulation (**4-ALDF-5B-14**). When a pretrial intervention program, diversion program, pretrial release program, or supervised release program is conducted in the facility, sufficient staff, space, and equipment are provided to service the program (**4-ALDF-5B-15**). Offenders participating in work or educational release programs are separated from offenders in the general population (**4-ALDF-2A-36**) (**5120:1-8-02(B)(6)**). Where temporary release programs exist, the programs have the following elements: written operational procedures, careful screening and selection procedures, written rules of offender conduct, and a system for evaluating program effectiveness, efforts to obtain community cooperation and support (**4-ALDF-5B-16**). Where work release and/or educational release are authorized, the Executive Director has authority to approve or disapprove participation for each offender (**4-ALDF-5B-17**). The Community Corrections Supervisor, on behalf of the Executive Director, will determine eligibility for residential Community Corrections programs. The offender and/or the sentencing judge will be notified as appropriate.

Procedures:

RULES FOR WORK RELEASE / HITT PROGRAMS

Upon your acceptance into the Work Release/HITT Program, you must understand and agree to abide by all the rules and regulations, which have been established by the Corrections Center of Northwest Ohio (CCNO). Participation in the program is a **PRIVILEGE** which can be revoked at any time should you fail to abide by any of the rules and regulations.

The opportunity to go into the community each day to earn a living, help support dependents and pay off court costs and restitution is an unusual opportunity for an individual who is incarcerated. Work Release/HITT is a good opportunity. Do not take it lightly.

The H.I.T.T. program is a temporary job opportunity while you are incarcerated at CCNO. If you are participating in the HITT program, remember: it is NOT a permanent job placement.

EMPLOYMENT

1. Work Release offenders must provide the Community Corrections staff with a letter, written and signed by their employer, preferably on company stationery, stating you are employed by them and your normal work schedule, immediate supervisor and rate of pay.
2. If permitted by the sentencing court, probation department, or Community Corrections staff, you may be permitted to work more than one job.
3. Self-employed Work Release will be limited to a 60-hour workweek, six (6) days a week, unless authorized additional time by the Program Supervisor. You will be required to pay up to 25 percent of your net paycheck to offset room/board costs at the Work Release unit.

You will receive a receipt upon surrendering your paycheck. Based on a "Disbursement of Funds Agreement" form, funds will pay jail costs, support for yourself and family, necessary travel expenses, expenses incidental to employment, payment of court fines, court costs, and restitution in such an order.

Short term (15 days or less) and self-employed Work Release residents must pay for jail fees in advance or at designated dates as established by Community Corrections staff in order to participate in the program unless the court has specified otherwise.

The CCNO is a "**NO SMOKING**" facility, to include the facility grounds. Anyone bringing smoking materials of any kind – as well as alcohol, drugs or weapons – into the facility by any means will be terminated from the Work Release program. This also applies to anyone found with such items on their persons or in their lockers. You are **NOT** to consume any alcohol and/or drugs before reporting to the facility. Offenders found guilty of tobacco/product rule violation will be removed from the program and will not be permitted to return. First time offenses will be re-considered after sixty (60) days.

Please report to the CCNO promptly. Your cooperation is greatly appreciated. Good Luck!

Dear Employer:

This letter is to thank you for continuing to employ a participant in the Work Release Program at the Corrections Center of Northwest Ohio (CCNO).

So that you may better understand the program, the following lists responsibilities of Work Release residents:

1. The resident is expected to be on time at work and at the CCNO. If the resident fails to report to work as scheduled or is no longer employed with your company, please contact the Community Corrections staff by dialing 419-428-3800, Ext. 405, during business hours of 8 a.m. to 4 p.m. After hours, call Ext. 231 or press 0 for operator and ask to talk to the Corrections Officer in the Work Release unit.
2. The work supervisor submits the letter to the resident, who presents it to Community Corrections staff upon returning to the CCNO, or fax the written verification to 419-428-5802.
3. The consumption of alcohol and use of drugs is forbidden.
4. The resident is not permitted to leave work (i.e., visit friends, go shopping, etc.) for any reason except in a medical/dental emergency or in accordance to their job requirements.
5. The resident is expected to observe all rules and regulations at his/her place of employment as well as at the CCNO Work Release Program.
6. If a resident is no longer employed with your company, their last paycheck should be mailed to:
